Draft answer.

Yes. The Government have declined to comply with the request of the Taluk Board and have informed the Taluk Board, that, if the South Kanara District Board declines to forego a portion of the grant for second class roads which was increased from Rs.80,000 to Rs.87,487 and to pay it to the taluk board towards its expenditure on medical relief, the only alternative will be to close down the newly opened medical institutions ~~newly opened by it~~.

*857 *Q.*—Mr A. B. SHETTY: With reference to my question No. 1236 answered on 1st February 1929, will the hon. the Minister for Public Health be pleased to state whether the representation made by the Puttur Taluk Board President in regard to the Sampaje and Panja dispensaries has been considered by the Government and whether any orders have been passed thereon?

A.—The compassionate grant cut down from the taluk board has been given to the district board and the two local bodies have been asked to decide between themselves as to which will have it.

Mr. A. B. SHETTY:—"May I know whether the taluk board was asked if the money saved on account of the Government taking over the Taluk Headquarter Hospitals would be utilized for opening new dispensaries?"

The hon. Mr. S. MUTHIAH MUDALIYAR:—"There was a question on that point in February and the answer had been given to that question."

Mr. A. B. SHETTY:—"May I know whether the taluk board opened the Panja and Sampaje dispensaries in accordance with the Government circular with reference to this matter?"

The hon. Mr. S. MUTHIAH MUDALIYAR:—"The Government asked whether the amount would be utilized for opening additional dispensaries; they did not sanction the opening of further dispensaries."
